

Empatia Wall/Ceiling

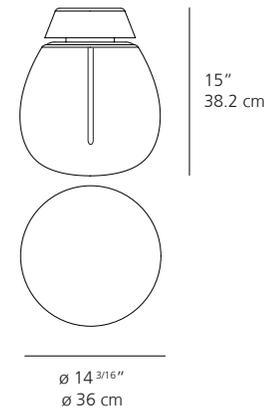

Technical data

EMPATIA 16

EMPATIA 26

EMPATIA 36

MATERIALS	<p>Base in painted white die-cast aluminum.</p> <p>Diffuser in handblown glass, clear towards the bottom and frosted at the top to allow reflection of the light without glaring and without losing efficiency.</p> <p>Light pipe in transparent low absorption coefficient methacrylate guides the light to the diffuser.</p>	<p>Base in painted white die-cast aluminum.</p> <p>Diffuser in handblown glass, clear towards the bottom and frosted at the top to allow reflection of the light without glaring and without losing efficiency.</p> <p>Light pipe in transparent low absorption coefficient methacrylate guides the light to the diffuser.</p>	<p>Base in painted white die-cast aluminum.</p> <p>Diffuser in handblown glass, clear towards the bottom and frosted at the top to allow reflection of the light without glaring and without losing efficiency.</p> <p>Light pipe in transparent low absorption coefficient methacrylate guides the light to the diffuser.</p>
EMISSION	Diffused	Diffused	Diffused
LIGHT SOURCE	LED 11W 3000K>80CRI	LED 16W 3000K>80CRI	LED 24W 3000K>80CRI
DIMMING FEATURE	Non dimmable	Non dimmable	Non dimmable
DELIVERED LUMENS	530lm	710lm	1189lm
FINISH	<input type="radio"/> Clear & Frosted (Diffuser) <input type="radio"/> White (Base)	<input type="radio"/> Clear & Frosted (Diffuser) <input type="radio"/> White (Base)	<input type="radio"/> Clear & Frosted (Diffuser) <input type="radio"/> White (Base)
