

In collaboration with
DESIRON FRANK CARFARO
 HAND CRAFTED AMERICAN FURNITURE

Fortis
 sconce

- Dimensions - 12.5" x 7.5" x 3.75"
- Solid wood, metal, unique bubble artisan glass
- Product weight - 10 lbs
- Energy efficient LED light source
- Light output - 565 Lumens
- Light color - 2700 K
- Color Accuracy -93 CRI
- Power usage - 7W
- Dimmable: 120V (ELV or TRIAC dimmer), 277V (ELV, TRIAC or 0-10 V)
- Wood grain will vary
- Bubbles in glass will vary from piece to piece
- Specifications subject to change

MATERIAL & FINISH OPTIONS

Fortis part #: 03-170 -

Metal Finish:	
brushed brass (CM-008)	R
distressed brass (CM-009)	D
oiled bronze (CM-010)	Z
brushed aluminum (CM-006)	A
Wood Body:	
walnut (CM-001)	W
dark stained walnut (CM-002)	D
Voltage:	
120 (leave blank)	
230 (not UL listed)	230
277 (ELV, TRIAC or 0-10 V)	277

J-box centered behind metal plate

The Fortis wall sconce is a great example of the collaborative design process. The initial concept from the New York based Desiron was refined over many iterations. We then worked with the local Southern California artisan glass company, Siemon & Salazar, to achieve a very specific bubbled glass lens that diffuses the light. It is a strong and sophisticated display of three elements: a piece of metal, a piece of wood, and a piece of glass all beautifully showcased in light.

*Nick Sheridan
 Co-Designer*

Non-pictured finish options

	Brushed Brass (CM-008)
	Oiled Bronze (CM-010)
	Brushed Aluminum (CM-006)
	Dark Stained Walnut (CM-002)
