MATERIAL & FINISH OPTIONS

Muto part # 06 -140-

- Wood Body:**
walnut (CM-001)
dark stained walnut (CM-002)

Alternate input voltages available

The way the walnut planes in the Muto both block and bounce light makes for a very dynamic composition of light and shadow, from any vantage point. While the pinwheel form with its repeating elements is symmetric, it appears very sculptural from any one view. The modern floating ideal is realized in the Muto. By holding each walnut element away from its neighbor, so each plane floats, the whole fixture feels weightless as if it were floating itself.
