Voltage:

- 120 (leave blank)
- 230 (not UL listed) 230
- 277 (not dimmable) 277

emergency backup option available upon request

The Sedo is composed of just three floating planes all kept parallel to the wall. This simple composition cloaks the light engine from view and filters the light as it is delivered far up and down the wall. It's this wall grazing and diffuser glow that gives the Sedo a strong architectural presence.
