Bon Jour - Specification Sheet by Philippe Starck, 2015

Mounting	Table Top
Lamp (Bulb) Description	2700K 811lm CRI90 13W
Environment	Indoor - Dry Location
Finish	White
Technical and Product Description	Using revolutionary Edge Lighting Technology, the Bon Jour combines maximum performance and efficiency with visual comfort. Users are able to effortlessly control the intensity of the direct light with just one click.

This sleek and pure light can be customized according to personal tastes and styles by dressing it with a chrome, copper or matte white metallic plastic hat that incorporates the LED light source, and a shade available in multiple finishes and materials: amber colored injection molded plastic, which simulates the spirit of the ground glass of times past, or transparent yellow, in a more contemporary high tech style, or classic pleated fabric, or natural raffia.

Inspiration behind the design:

Bon Jour is a consistent collection of light, exploring the timeless elegance of high-technology dematerialization combined with the freedom of expressing your own creativity. Philippe Starck

Electrical

Voltage	100-240V
Switching	Dimmer switch that provide ON-OFF functions and 10-100% light adjustment with memory

Bon Jour Unplugged - Specification Sheet by Philippe Starck, 2015

Mounting	Table Top
Lamp (Bulb) Description	EDGE LIGHTING 2700K 136lm CRI90 2.5W
Environment	Indoor - Dry Location
Finish	Copper
Technical and Product Description	The smaller table version of the Bon Jour table lamp, the Bon Jour Unplugged truly moves with the user and can be used in any environment. The base features a micro-USB connector which recharges the battery in three hours and then the light lasts for up to 7.5 hours. Like the other members of the Bon Jour family, this model combines maximum performance and efficiency with visual comfort. Users are able to effortlessly control the intensity of the direct light with just one click.

This sleek and pure light can be customized according to personal tastes and styles by "dressing" it with a transparent, yellow, amber, fume, natural rattan and pleated fabric crown. Additionally, the body is available in four unique finishes: white, chrome, matte chrome and copper.

Inspiration behind the design:

"Bon Jour is a consistent collection of light, exploring the timeless elegance of high-technology dematerialization combined with the freedom of expressing your own creativity." Philippe Starck

Electrical

Voltage	100-240V
Switching	Optical switch sensor on the base that provide 4-step dimming function.

Physical

Construction Material	ABS, Aluminun, PMMA
Weight	1.32 lbs

F1037015 Copper
