FOSCARINI

Uto is a transformist, fun, pleasant to look at and to touch, thanks to the softness of its material. Uto changes according to the needs of the moment. It can be used as a floor or table lamp, hung from the wall or the ceiling, set in the living room or in the garden. Uto is a fully flexible model and it is available in white, yellow and orange. Reassuring and familiar despite its innovative design, Uto is ideal wherever one wants to add a lighting element with a playful and chameleonlike personality.
