Ili Ili Prom Queen Pendant

Design by: Filip Despot, Ivana Pavic & Tihana Taraba

Ili Ili, which means either/or, is a series of modular fixtures in three geometrically straightforward shapes. The Ili Ili Prom Queen pendant is one of these, its flared body handmade from powder-coated aluminum. Tihana Taraba, Ivana Pavic and Filip Despot of Grupa Products designed the clever fixtures that are perfect for hanging in rows or for grouping in its different configurations. Two other shapes in the Ili Ili family that we offer are the Gone Fishing and the Nighty Night, and each of these are available in white, black or gray.
