

# Zero

## Lumo Pendant

Design by: Thomas Bernstrand

Made of painted die-cast aluminum, the Lumo Pendant, designed by Thomas Bernstrand for Zero Interior, features a pared-down profile and is available in black, orange, gray, green, and gray-brown; and can be ordered in custom colors upon request. A matte acrylic diffuser softens the glow of the illumination wafting from this fixture, the tone of the light influenced by the color of the shade from which it radiates.
