## Nama 2 Pendant

Design by: Ay Lin Heinen & Nelson Sepulveda

Ay Illuminate has taken the rattan esteemed by the 1960's counterculture and given it a hot new shape with the Nama 2 pendant in natural or black, in Global Lighting's Ethos Collection. The secret to its success is the quality of the linear weaves. One look at the dexterous shadows this fixture will throw onto surrounding surfaces will have you saying, "Cool, man!"
