## Rattan Bulb Large Pendant

Design by: Ay Lin Heinen & Nelson Sepulveda

There is a sensuality to the moire pattern that sways within the shade of the Rattan Bulb Large pendant by Ay Illuminate, which is achieved when Filipino weavers take rattan, and tie them so closely together they appear silky. The villages in which these light fixtures are made in a socially responsible cottage industry are near the coast so a tradition of fish-net tying brings the weavers added precision that allows them to craft such close-knit compositions. The Rattan Bulb is also available in small.
