Z2 Blond Bamboo CC Pendant

Design by: Ay Lin Heinen & Nelson Sepulveda

The Z2 Blond Bamboo CC pendant has a handcrafted blond bamboo frame sheathed in hand-woven white cotton sourced from India, which is tied to the frame by hand. The sheer quality of the delicately woven shade that envelops much of the fixture filters the emitted light to create a gauzy glow. These fixtures are “handmade” in the truest sense of the word so longer lead-times may apply and slight variations in the profiles of each pendant may exist.
