

A-Tube Nano Duo, Design by Studio Italia Design

Model A-Tube Nano Duo

Precious pins suspended from a thin cable, like magic lights floating in the space. A-Tube Nano Duo is an offshoot of A-Tube Nano with an LED light source on both ends of its thin metal body. A lightweight and linear lamp available in six finishes, including the new Terra, which allows to create evocative and playful cluster compositions.

Photometric data

Cluster suspension lamps must be installed on a *canopy*: find out more on lodes.com/en/canopies

Rectangular Cluster System

Model 7 Lights

Lodes's multiple rectangular canopy (*Rectangular Cluster System*) is a ceiling suspension system in the form of a parallelepiped. It is a decorative element fitted with a variable but predefined number of holes and used to create more or less large compositions which offer different hanging possibilities based on the type of space and ceiling.
