

## 21001/DIM/US/GI Lent

design yonoh studio creative, 2017

Lent designed by Yonoh Studio Creative is a suspension lamp that develops the theme of acoustic comfort through a special reflector printed with sound-absorbing material and fabric, capable of absorbing acoustic waves by slowing down their reverberation. The fabric shade is available in the following colors: grey, yellow mustard and moss green. The diffuser is held by a black aluminum structure. The central spot houses the integral LED light source covered with a white methacrylate diffuser. Dimmable electronic power supply inserted inside the canopy.

Also available with dark-light screen UGR<19
