

PILKE 64 FLOOR LAMP

Designed by Tuukka Halonen

DESIGN & INSPIRATION

The inspiration for the Pilke came from traditional Finnish shingle work, but Tuukka Halonen upgraded the design to a modern structure made with today's state of the art technology. Repetition of plywood parts in right angle creates beautiful subtle friction to light. No glue or screws are used. Pilke is a unique, decorative light fixture, giving natural warm light through its wooden structure.

LIGHT SOURCE

1 x E26 LED 15W MAX
Suggested Specs: A19 Frosted
> 90 CRI | 3000K | Dimmable
