

ENNO

6W 120 - 240V CRI > 95
2700K E26/27 Base Matte White
540 Lumens

With its characteristic trapezoid shape, the Enno is as sophisticated as it is playful. Its subtle charm is palpable whether in a series or on its own.

Best paired with:

Oak, Walnut, Brass or Graphite Pendant

NOMA

6W 120 - 240V CRI > 95
2700K E26/27 Base Matte White
540 Lumens

A calming and characterful bulb that works well with bold colours and backgrounds. Light billows out from the centre of its unique triangle shape, illuminating the interior with a soft, white tone.

Best paired with:

Oak, Walnut, Brass or Graphite Pendant

OBLO

6W 120 - 240V CRI > 95
2700K E26/27 Base Matte White
540 Lumens

A bold and compact bulb, the Oblo is best suspended in a pendant. Its robust shape breaks up space and colour with soft white light, imbuing its surroundings with a sense of calm and harmony.

Best paired with: Oak, Walnut, Brass or Graphite Pendant, Oak or Walnut Touch Lamp

OVAL

6W 120 - 240V CRI > 95
2700K E26/27 Base Matte White
540 Lumens

This design's soft, rounded shape makes for a delicate and sophisticated bulb that is a calming addition to any interior space. Equally comfortable in a pendant or a touch lamp.

Best paired with: Oak, Walnut, Brass or Graphite Pendant, Oak or Walnut Touch Lamp

BRASS PENDANT

120 - 240V Pendant 65 x 40mm
Max Wattage 60W Ceiling Rose UK 80 x 25mm
Luminaire Class II Ceiling Rose US 5.2 x 1"

This minimalist turned-brass pendant embodies simplicity. The colour, strength and malleability of brass make it a perfect partner for a host of bulb designs, and a staple for any modern interior.

Best paired with:

All Design & Feature collection bulbs

GRAPHITE PENDANT

120 - 240V Pendant 65 x 40mm
Max Wattage 60W Ceiling Rose UK 80 x 25mm
Luminaire Class II Ceiling Rose US 5.2 x 1"

The graphite pendant's monochrome tone and simple form make it the perfect partner for the minimal geometry of the Porcelain range.

Best paired with:

Enno, Noma, Oblo, Oval, Unum, Minerva
