-  XENON  
10W G4 12V
- or
-  LED  
2W G4 12V

dimnable drivers available

IGBT  
TRIAC

Inspired by the tranquil and mesmerizing light refractions created by water, Mizu is a customizable pendant light from Terzani. Like water droplets, no two Mizu are alike, each crystal shape is unique and made meticulously by hand. Using only the clearest crystal, Mizu perfectly emulates water's refraction of light, casting amazing patterns around the room, reminiscent of flowing water. Also available in gold leaf. Design Nicolas Terzani
