 Halogen
J-Short
75W R7s

Influenced by the rustic simplicity of the mulberry tree, Nicolas Terzani set out to create a piece that delivered the same quiet, harmonious elegance. Thus, wabi, available in white, gold-plated or silver-plated finish, which recalls the serenity and balance of its natural inspiration. The texture of wabi harnesses the anomalies of a cortex, resulting in a unique and classic light. Design Nicolas Terzani.
