

liaison

Liaison is a collection based upon a singular articulated shape which comes in 3 sizes (with a diameter of 45, 80, and 100 cm). It can be installed individually or in compositions of 2, 4, and 8 elements joined by a single central sphere. The elements of the multiple versions can upon request be duplicated on two levels of height. The colours that can be combined will be black and matt gold.

The end user will have the possibility to customize shape, colour and size, creating functional solutions for different interior concepts.

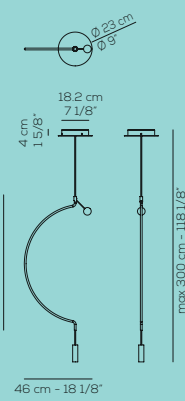

Liaison è una collezione che si declina, oltre che in forma singola, in 3 dimensioni (con diametro da 45, 80 e 100 cm) e può essere installata singolarmente oppure in composizioni da 2, 4 ed 8 elementi unite da un'unica biglia centrale. Gli elementi delle versioni multiple, su richiesta, possono essere duplicati su due livelli di altezza. I colori combinabili saranno il nero e l'oro opaco.

L'utilizzatore finale avrà la possibilità di personalizzare forma, colore e dimensione, creando soluzioni funzionali per diversi concetti d'interni.
