ROOF S
By David Abad

Description:

Suspension lamp made of aluminum, with transparent protective glass. Available in satin anodized silver or matte white. Combinable with various accessories: a reflector with gloss aluminum slats, a satin anodized aluminum reflective casing, texturized matte white reflective casing, or a reflective casing laminated in oak with a matte white interior. The Roof S130 also offers an accessory methacrylate reflective casing and diffuser, finished in smoked, opal white or transparent red. All these accessory options are supplied by request. Roof S emits direct and diffused light.
