

**Description:**

Suspension lamp made of aluminium, with transparent protective glass and available in satin anodised silver or matte white. Combinable with various accessories: a reflector with shiny aluminium slats, a satin anodized aluminium reflective casing, texturised matte white reflective casing, or a reflective casing laminated in oak with a matte white interior. The Roof S130 also offers as an accessory a methacrylate reflective casing and diffuser, finishes in smoked, or in opal white or transparent red. All these accessories are supplied only by request. Roof S emits direct and diffused light. A dimmer version is optional.
