TRIAC, ELV & 0-10 V dimming
277 V AC input voltage
TRIAC, ELV & 0-10 V dimming

Includes

brushed aluminum (CM-006)

Cerno's product development team prioritized the utility of the Allavo vanity, while not ignoring the importance of the aesthetic. Drawing from our experience with product photography, we knew that a large diffuse light source was the key to achieving our goal. The novel design uses indirect lighting that bounces off a curved metal surface. Cerno's signature use of wood is integrated seamlessly into a design we believe harmonizes usefulness and beauty.
