

FLOS

Taccia, Anodized Silver - Specification Sheet by Achille Castiglioni, 1962

Mounting	Table Top
Lamp (Bulb) Description	1 x 60W PAR 30 Halogen (Included)
Environment	Indoor - Dry Location
Finish	Anodized Silver
Technical and Product Description	The TACCIA was designed by Achille and Pier Giacomo Castiglioni in 1962. Vikas

The TACCIA table lamp has a concave spun aluminum reflector with a matte white finish. The light can be adjusted by positioning the blown glass diffuser as required. The base is made from extruded aluminum and is available in an anodized matte black or natural sandblasted finish.

This TACCIA emits reflected light. This modern table lamp is available in black/ anodized aluminum and has two options for lamp source:

- HSGSR
- Remote Phosphor LED

Inspiration Behind the Design:

Achille and Pier Giacomo Castiglioni's industrial background in designing is very evident in this table lamp. The Taccia is the perfect example of their minimalist approach to refurbishing everyday functional objects.

Electrical

Voltage	120
Switching	Power cord with ON-OFF switch
IP Rating	IP20

Physical

Cord Length (inches)	94" - Black
