

WALL RUPTURE

Designed by Thierry Dreyfus

Wall Rupture is an invisible luminaire made of Soft Composite. The effect is like a secret fold in the wall that conceals the irregular relief of the earth. Available in gold and silver. It incorporates LED strips with different colour temperatures: 2700K (gold version) or 5000K (silver version).

Wall Rupture es una luminaria invisible realizada en Soft Composite. El efecto es como de un pliegue secreto en la pared que oculta el relieve irregular de la tierra. Disponible en color oro y plata. Incorpora tiras de LED con diferentes temperaturas de color: 2700K (versión decorado oro) ó 5000K (versión decorado plata).

Expo Valle d'Aosta, Milan
