A modern yet industrial declaration of simplicity, Jens Fager has created the Compose D195 pendant for Zero. The minimalist circular body is made of aluminum and available in the following RAL colors: white (RAL 9016), black (RAL 9005), gray (RAL 9007) and green (RAL 6035). Custom RAL colors available upon request, with a one-time upcharge. For the shade, choose from white, black, gray, green, copper or brass.
