

# Jacco Maris

## Framed Up-Down Pendant

The Framed Collection of light fixtures by Jacco Maris might as well be saying, "Strike a pose," offering any slice, square or circle of a room illumination worthy of a portrait as it does! The geometric shapes of all of these fixtures, such as the Framed Updown pendant, are hot-rolled into a steel profile. The illumination is incorporated into the steel frame, creating playful profiles of radiance along a wall or ceiling. Also available in this family of fixtures is the Framed Square pendant, the Framed Circle pendant and the Framed Leaning floor lamp.

### Ordering Matrix
