

Zero

Lumo 5-Light Circle Pendant

Made of painted die-cast aluminum, the Lumo 5-Light Circle Pendant, designed by Thomas Bernstrand for Zero Interior, has three shades suspended from the ceiling connected by a slim circllet made of curved bars. The pared-down profile is available in black, orange, gray, green, and gray-brown; and can be ordered in custom colors upon request. Matte acrylic diffusers soften the glow of the illumination wafting from this fixture, the tone of the light influenced by the color of the shade from which it radiates.
