Lumo Duo Pendant

Design by: Thomas Bernstrand

Made of painted die-cast aluminum, the Lumo Duo Pendant, designed by Thomas Bernstrand for Zero Interior, has two shades suspended from the ceiling connected by a slim horizontal bar. The pared-down profile is available in black, orange, gray, green, and gray-brown; and can be ordered in custom colors upon request. Matte acrylic diffusers soften the glow of the illumination wafting from this fixture, the tone of the light influenced by the color of the shade from which it radiates.
