

Jacco Maris

Outsider Floor

Handmade in Holland not only has a nice “ring” to it, it means Jacco Maris’ fixtures exhibit exemplary quality and jaw-dropping style only a lover of experimentation could achieve.

The inspiration for the Outsider Floor fixture was a tractor headlight but its industrial chic demeanor is definitely greater than the sum of machined parts. Available in black, aluminum and white finishes, the Outsider Adjustable measures 8.5 feet tall and may be used in outdoor or indoor settings.
