

Ay Illuminate

Rattan Bell Large Pendant

Design by: Ay Lin Heinen & Nelson Sepulveda

Achieving weaves so close-knit a moire pattern sways through them when the material is as coarse as rattan. Proof that it is possible is the Rattan Bell Large pendant by Ay Illuminate, which is handcrafted by weavers who live in villages along the coast, the fish-net tying traditions of the area adding nimbleness to their abilities. The cottage industry in which they thrive is socially responsible, a hallmark of Ay Illuminate's commitment to sustainability. The Rattan Bell is also available in small.
