## ST903 Extra Large Pendant

Design by: Tom Rossau

Scalloped and effusively luminous with its arcing striations of light, the ST903 Extra Large pendant comes in natural birch, gray oak, black Bolivar and a brownish-black Zebrano multi-laminar—an environmentally friendly option for the beautiful but over-harvested species, and in small medium and large sizes. Tom Rossau expresses his Danish roots to infuse these fixtures with the quintessential naturalness that seems to come so effortlessly to him and his countrymen (and women).
