Creation Baumann Polyester

Création Baumann have been weaving world-renowned fabrics in Switzerland since 1886. We made this selection from their Arik collection as we believe they make great contemporary lampshades that will complement any interior. The fabric has a two-tone micro-pattern which results in an interplay with up to three colour nuances depending on the angle of vision.

Acoustic Absorbancy : ●●●●●●

Price category : F

Innermost recommends:

Works best on large round & donut pendant and ceiling shapes.

Colefax Indra

Viscose polyester acrylic

A lustrous textured fabric from the British fabric house Colefax & Fowler that uses a satin warp and strong woven textures to achieve the effect of hammered metal. Polished and sleek, we have it as standard in 3 burnished tones of Copper, Teal and Silver.
