

## RD2SQ

40 x 30

60 x 30

Sizes cm (DxH)

A round shape on the top and a square shape on the bottom, these contemporary shades work well in groups. Each comes with its own moulded acrylic diffuser which hangs lower than the shade creating an extra level of interest.

RD2SQ work equally well as pendants as they do with the table and floor bases with the same name.

# CAE

Our most popular pendant electrics, the CAE fitting comes with an E27 ES bulbholder and 1.8m of cable which can easily be shortened to suit.

Available in two finishes as standard. Also available by special request; 20cm glass globe diffuser, multiple ceiling roses for shade clusters, longer cable lengths for higher ceilings and other cable colours.

# Creation Baumann Polyester

Création Baumann have been weaving world-renowned fabrics in Switzerland since 1886. We made this selection from their Arik collection as we believe they make great contemporary lampshades that will complement any interior. The fabric has a two-tone micro-pattern which results in an interplay with up to three colour nuances depending on the angle of vision.
