design marc sadler, 2005

The Babele Pendant was designed by Marc Sadler in 2005. The large scale diffuser in turned aluminum and painted externally with different shades of micaceous color, gold inside provides diffused illumination.

The fixture is suspended with steel cables.

The Babele is available in three diameters: **Ø45**, **Ø65** and **Ø92cm**. ( 17 ¾" ; 25 ½" ; 36 ½" ).

The surface of the lamp is characterized by circular ribs of different diameters arranged in almost parallel planes to describe a path: the path of man towards the infinite light and truth as opposed to the monotonous life.
